policy for the Department of Defense Shelter for the Homeless Program.

§ 226.2 Applicability.

This part applies to the Office of the Secretary of Defense (OSD), the Military Departments (including their National Guard and Reserve components), the Unified and Specified Commands, the Defense Agencies, and Department of Defense Field Activities (hereafter referred to collectively as "Department of Defense Components").

§ 226.3 Policy.

(a) By Memorandum for the Secretaries of the Military Departments from the Secretary of Defense dated October 29, 1984, and entitled: "Shelter for the Homeless", the Secretary of Defense stated it is Department of Defense policy that shelters for the homeless may be established on military installations.

(b) The Secretary of a Military Department, or designee, may make military installations under his or her jurisdiction available for the furnishing of shelter to persons without adequate shelter in accordance with 10 U.S.C. 2546 and this part if he or she, or designee, determines that such shelter will not interfere with military preparedness or ongoing military functions.

(c) The Secretary of a Military Department, after determining that a shelter for the homeless may be established on a military installation, shall ensure that the plans for the shelter be developed in cooperation with appropriate State or local governmental entities and charitable organizations. The State or local government entity, either separately or in conjunction with the charitable organization, shall be responsible for operating and staffing any shelter established under the Shelter for the Homeless Program.

Bedding may be provided without reimbursement, but may only be provided to the extent that the provision of such bedding will not interfere with military requirements.
